

Pineville Rotary Annual Golf Tournament

Proceeds for youth enrichment projects

Oak Wing Golf Club

Friday, May 13, 2022

Shotgun start 1:00 p.m.

Rotary Club of Pineville is proud to once again bring the Premier Golf Event to the Central Louisiana community. Please join us for this fun experience featuring memorial contests honoring beloved Club Charter Members Gary Grand and Dr. Ted Lowrey.

Proceeds fund Pineville Rotary's commitment to youth enrichment projects, primarily in enhanced educational and recreational opportunities. A crucial project is the Club's work to sustain seven (7!) school closets in elementary schools educating high numbers of children in deep poverty. The closets provide free school uniforms, underwear, warm clothing shoes and other personal items.

Your participation and sponsorships are VITAL to these youth missions!

Get a team together, or become a sponsor of this important and fun event.
